Monthly Business Meeting Minutes and Newsletter

President Don Copple Sr. welcomed all those in attendance. He called the monthly business meeting of the Southern Indiana Rifle & Pistol Club to order at 7:03 PM on June 6, 2018 at the Indian Creek Shooting Center in Georgetown, IN. Officers Charlie Davis and Tom Clark were excused.

President Copple reminded all members not to drive through the fields. Regretfully this practice continues and is hurting the relationship with the tenant farmer and the land owners. If we catch you, the Executive Committee will ask the membership present at the next meeting to vote on a motion to remove you from the club. The roads have a hard bottom even with standing water. Drive through the puddles and do not widen the road.

Attending the meeting were: Andy Myers, Ronnie Hall III, Bob Crecco, Jack King, Dan Jacobson, Richard & Amanda Shelton, Dennis Wilson, Ron Bekebrede, Don Copple Sr., Roy Hughes, Terry Copple, Bob Cahoon, Tom Graves, Doris Ooley, Mitch Sizemore, George Eberhardt, Dennis Pruet, Jeremy Dohm, Mason Dohm, Donnie Abbott, John LeMay and Bill Thomas.

MINUTES: President Don Copple Sr. asked if there were any questions or comments pertaining to the minutes of the May 2, 2018 meeting. There were no comments and/or revisions. President Copple declared the minutes approved as is.

TREASURER'S REPORT: There was no financial report. The balance in the operating account as of April 30 was \$36,499.00.

MEMBERSHIP APPLICATIONS: First reading for Andy Myers and Ronnie Hall III. Second reading and membership approved for Bob Crecco, Jack King, Dan Jacobson, Richard Shelton, Dennis Wilson and returning member Michael Gillum.

ATTENTION: Please read your newsletter and/or check the website to avoid going to the Range when a match is scheduled. Please take your trash home. When entering and leaving the Outdoor Range, lock the chain behind you. Wear your membership card on your clothing or equipment while at the Outdoor Range. Every member has the right to and is encouraged to, ask you for your card. The entire membership is responsible for policing our facilities and keep non paying shooters out. Tennant farmer Sam Hagest is asking that we no longer park behind the red barn in case of high water. Instead please park alongside the road parallel to the field closest to Borden. The reason is that due to the new ownership of the house, the Hagest brothers have to use this road to access the fields.

OLD BUSINESS: The club still has T-shirts for sale in various sizes. The cost is \$10 and you may come to the Indoor Range on Wednesday or Friday evening if interested. The new road has been finished and should be used for access to the Range. We still need to move the sign. The Indoor Range will continue to be open to recreational shooting for all members on the 1st and 4th Wednesdays in June. Since the regular pistol shooters will have their outdoor practice on June 13 and June 27, please call Charlie Davis at the number below to indicate that you want to shoot on these days. If there are enough shooters he will open the Indoor Range. You may bring your own targets or use the club targets for a small fee. You will have to pay the \$4 range fee to cover the cost of utilities and rent. Magnum ammunition will not be allowed. However you may use a magnum caliber firearm and shoot non-magnum loads. For example a 357 magnum revolver with 38-special rounds. A rifle in 22 LR is allowed as well. For questions please call Charlie Davis at 812-267-3392. Don Copple Sr. reported that Jamie McKown removed the conveyor belting and worked on removing the glue from the floor at the Indoor Range. Ultimately the floor will be painted, but we need to address the ingress of water in the right corner first. Doris Ooley stated that NRA-ILA representative David Conte will come to a future monthly meeting. He will give proper notice.

NEW BUSINESS: George Eberhardt reported that the last Indoor CMP rim fire 22 match was attended by 20 shooters. He thanked Charlie Davis and Mike Smith for their help running the match. The next match will be held on June 30. At the end of this newsletter is the flyer for our CMP sanctioned Rim fire Sporter Match along with a brief explanation of said match. Contact is George Eberhardt at 502-724-8970. George also presented the results of the various rifle matches held past month. President Copple stated that after he paid the property taxes for the Outdoor Range he received a new, slightly higher assessment for the future. He also mentioned that past member Robert Farley has died. Please keep him in your thoughts and prayers. Don Copple reported that he found Ted Malone willing to take on the Air Gun program. Don thanked Doris Ooley for her years of service and appointed Ted Malone as the new Director for said program. Since the 1st Wednesday in July is the 4th of July Holiday, the next meeting will be on Friday July 6. Please mark your calendars accordingly.

50-foot CMP Sporter Match Info

Just a little info on our first CMP sanctioned sporter match. I am not going to cover all the rules but just the general. This match is designed for anyone with a standard .22 caliber rifle to come shoot in a match style format. The rifle has to weigh less than 7.5 lbs. with the scope mounted on scoped rifles. No fluted barrels. The rifle has to have a magazine that will hold 5 rounds for the rapid-fire stages. Any rim fire actions are allowed with standard stocks. Triggers must be at least 3 lbs. pull. Spotting scopes are allowed. With that being said we will allow out of competition rifles that do not quite meet the rules if the line is not full. If you shoot with an out of competition rifle you cannot win the match or achievement awards. IF you have a question on if your rifle is legal just give me a call. We will be a little flexible as we get started. Course of fire is 10 rounds sighting shots followed by 10 rounds slow prone, 10 rounds rapid prone, 10 rounds slow sitting or kneeling, 10 rounds rapid sitting or kneeling, 10 rounds standing, and 10 rapid standing. We do not plan to weigh rifles or triggers unless the winning rifle is challenged. We will have weights there if you want to weigh yours. Relay preference will be given if there is room on that relay. Relay 1 starts at 9 and relays take about an hour and a half to shoot. 2 classes, open and optical. Tactical sights will shoot in the optical class. I am using The 2018 rules as a guide. Questions just give me a call. George Eberhardt 502-724-8970 or ebbie53@windstream.net
