Congratulations to these Juniors. The club displayed at the National Gun Day show this past weekend to a large crowd.

**NEW BUSINESS:** Secretary Ron Bekebrede will accept your renewals for calendar year 2022 through the end of this month. The club will have a display at the Marengo gun show coming up this weekend. There was lengthy discussion about improving the participation at the indoor range on Wednesdays and Fridays. Charlie Davis encourages members to not be intimidated by the national match course and to come to the range and shoot. Charlie is agreeable to having an open range time with sections of time allotted for slow fire practice and general plinking. It was also mentioned that the 5:00PM start time is a challenge for members who are still working and not retired. It was agreed that for this month shooting would commence at 6:00 PM instead of 5:00 PM. Also you do not have to be present at 6:00 to shoot as the line will allow shooters to infiltrate as they arrive. Charlie Davis stated that if members come to shoot that the club will make the time for them to shoot. The same also applies to the outdoor practices on Wednesday. If you are going to be late on these days to let Mitch Sizemore know so that the practice is not stopped early as those practices begin at 4:00PM. The club wants to promote pistol shooting and encourages members to come shoot. Jamie McKown also announced that in the coming months he plans to have a beginners clinic for pistol shooting for the juniors but also opening the invite to adult members who are interested in participating in Bullseye competitions. Stay tuned as the plans for this clinic are finalized.
